

“Indeed, my Lord extends provision for whom He wills of His servants and restricts [it] for him. But whatever thing you spend [in His cause] - He will compensate it; and He is the best of providers.”

Our Goal

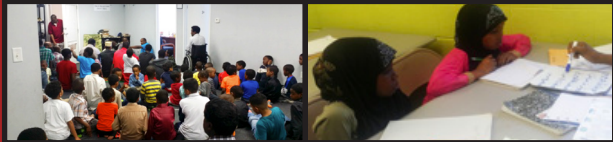

To establish a family oriented masjid and community center to accommodate our growing community needs (spiritual, social, cultural, youth) and serve the Grand Rapids and environs community at large with special emphasis to "no child should be left behind in learning Quran."

Our Past, Present and Future

- We started as a community & prayer center on October 12th 2015
- We rented a second floor of an office building as pictured below.
950 28th street SE Suite 200/201E
Grand Rapids MI 49508

→ There was overcrowding as the space was not sufficient. Due to its location (2nd floor of a busy office building) we were not able to use the space we rented during office hours. It was impossible to have 150 children on the second floor of an office building as pictured below:

→ The urgent need for more space led to the land contract of our new place, the home of Masjid Alnoor.

"The example of those who spend their wealth in the way of Allah is like a seed [of grain] which grows seven spikes; in each spike is a hundred grains. And Allah multiplies [His reward] for whom He wills. And Allah is all -Encompassing and knowing.

"(Qur'an, 2:261)"

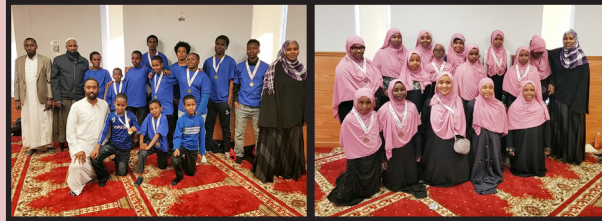

→ Bought a church on May 30th 2017 at the cost of \$350,000 on land contract, Alhamdulillah with Zero Interest.

→ With our new Masjid our children can easily learn Islamic knowledge and compete with other mosques in the area. Below are images of our boys & girls displaying medals they received this summer in competition between several religious centers in West Michigan.

In sha Allah by December 31st 2019, our land contract balance will be \$105,000.00

2020-2021 projects costs projections

- Pay off our land contract balance of \$105,000.00
- Our roof the Masjid is in pathetic condition, the cost of new roof is \$35,200.00
- Drainage and Driveway repairs \$38,600.00
- Our parking space is insufficient, the building next door is on sale for \$260,000.

The total costs projections for the year 2020-21 is
\$438,000.00

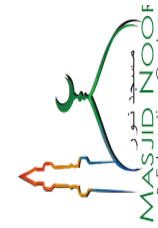

Your community needs your help to raise \$438k in 2020-21 to complete this very necessary constructions. Insha'Allah, join the effort today to make this dream a reality.

"The mosques of Allah are only to be maintained by those who believe in Allah and the Last Day and establish prayer and give zakah and do not fear except Allah, for it is expected that those will be of the [rightly] guided."

(Qur'an, 9:18)
